## **Contract Training**

Was held on **Saturday February 4, 9:00** at the Union Hall. Several members attended this training, where they learned the fundamentals of bargaining, studied our long term plans and strategies for the next contract negotiations beginning in January 2007.

## **Children’s Toy Drive**

The second annual **AFSCME Local 2067 Children’s Toy Drive** was a complete success! We purchased toys, needed supplies (like high chares, cribs, play pens, changing tables and games), all items were distributed to Day Care Givers in the Salem area. Richard Swyers, Robin Stuart and Jack Tucker hand delivered many items personally.

These items were distributed in January, we have found the better time to purchase these items is after the holidays, the prices are much better and our money goes further.

## **Holiday Issues:**

We have issues being raised and grievances filed regarding **Holiday Pay-out, Holiday Comp Accrual and Holiday Overtime Comp Accrual**. We are currently addressing some of these however, if you have an issue or problem with the way the City is handling any of these issues we want to know. Contact a Union Steward or Officer of the Local and explain your circumstances.
