The contract bargaining is over, the battles have been waged and fought, now the language is in place (for at least the next eighteen months) now we need to work with it. When you get your copy of the contract- **READ IT**. There are a few new articles, like **Sick Leave** and **Drug Testing**.

We do “not” want the City to continually take away the things we struggled long and hard to get, so we have a plan. Come to the December membership meeting that is being held at Pietro’s Pizza on Hawthorne and see the plans we have already made. You are going to want to be a part of the next bargaining session come see why!

We are looking for a few more good Shop Stewards!

With the City’s new language on sick leave, drug testing and other issues we will be needing more Shop Stewards in other Departments.

Steward training will be held on **Saturday December 3**, at the Union Hall. Anyone wishing to attend the training, please call Michael Guined at 503 551-4282 to make reservations.

Children’s Toy Drive

We are beginning our second annual **AFSCME Local 2067 Children’s Toy Drive**. Toys and needed child care items will go to Unionized Child Care givers in the local Salem area (A large number of care givers have recently become AFSCME members). Many even provide service to other members of AFSCME while they are busy earning a living at City State and County jobs.

Last year we contributed \$500 dollars and a huge number of toys and other items like cribs and playpens for Care Givers. Donations can be dropped off (new items only please) at the Union Office on Salem Industrial Drive. Check or Money order contributions should be mailed directly to AFSCME Local 2067 at P.O. Box 488 Salem, Oregon 97301 % **Local 2067 Toy Drive**.

Unwrapped toys please, these are “not” Christmas gifts, the drive simply takes place at this time of the year.

Attention Contact People!!!

All Contact People should plan on attending the holiday meeting at **Pietro's Pizza** This is a thank you party for your efforts during the last contract bargaining. It was a ten month battle, but your efforts helped get a better contract than the City was trying to force us to take.

Come help us celebrate!
